## Alan Moorhead confirmed as voice of Super Ride VI

Popular television host, rodeo and equine sports announcer [Alan Moorhead](#) has been confirmed as the principal announcer for [Super Ride VI: The 2008 United States Equestrian Drill Championship](#) (USEDCA). The event will run June 24 – 28 at the [Texas Rose Horse Park](#), near Canton, Texas.

“The Super Ride Competition requires a Super Announcer”, says **Gary Bonner**, Executive Director of the United States Equestrian Drill Association (USEDCA) and coordinator of the Super Ride.

“This year, our goal was to bring in the 'best of the best', and Alan Moorhead is going to be a great asset to the show. Alan's high energy, experience and event knowledge will thrill the audience, and keep the teams excited during the entire competition”.

For the past fourteen years, Moorhead, a resident of Beech Island, South Carolina, has been the voice of the [National Barrel Horse Association's](#) World Championship, held annually in Augusta, Georgia.

Since 2000, he has been the announcer for the [Sharon Camarillo Classic](#), and has also manned the microphone, since 2001, at World Championship events sanctioned by the [Barrel Futurities of America](#).

As the host of [HorseCity.com TV](#) on [RFD-TV](#), and via a memorable, albeit unscripted, appearance as the rodeo announcer in the popular 2006 film, [Borat: Cultural Learnings of America for Make Benefit Glorious Nation of Kazakhstan](#), Moorhead's voice and persona are familiar to film and television audiences around the world.

The United States Equestrian Drill Championship brings together mounted color guard and drill team units from throughout the United States. The 2008 event will be highlighted by the inaugural **USEDC Ride of Champions**, to be held on Friday evening, June 27 and the **USEDC National Open Drill Championship**, on Saturday evening, June 28.

Video coverage of Super Ride VI: The United States Equestrian Drill Championship will be coordinated by [SportsQuest International](#).

Full details on the competition, sponsorship and merchandising opportunities are available upon request. Kindly contact the United States Equestrian Drill Championship on 1-972-679-0770.
